Winter 1999

## Message From the Prez

Jack Carey '72

Howdy Ags! 1999 is rapidly coming to an end and we are about to enter a new century. What an exciting time! Your club officers are committed to providing activities that will allow you to make the most of this exciting time with your fellow Ags. We've already had some Happy Hours and met several times at C.B. & Potts to watch the Ags play football. The turnout at these events has been great! Look for details elsewhere in this newsletter or check out our website. We'll also continue meeting at C.B. & Potts every time an Aggie football game is televised. We don't always know which games will be televised, or when they will start, so you'll have to check our website several days before game day to see if and when it's televised. If it's televised, we'll meet at C.B. & Potts. If you join our eGroup mailing list, you'll get an automatic message about every event. If you haven't joined our egroup, you really should. There's no charge to you and you get messages automatically as soon as they're posted on our website. Look for details on joining our eGroup elsewhere in this newsletter.

## The Texas A&M Club of Denver has joined the Internet Revolution !!!

Todd Hendreks '96

The past few months have been exciting for the Aggies here in the Front Range. Two relatively new features have been added to the club to make it first rate. We hope you enjoy...

### Denver A&M Club Website!

I moved here from Dallas, TX last May and to my surprise, there was not a website for this club. So with some begging and bribing, I was able to convince the powers that be to let me create a web site for this organization. Here is the Denver A&M Club website URL:

<http://aggienet.tamu.edu/denveramc/>

Here you will find the latest and greatest Aggie information in the Denver - Metro area.

### Get on the Email List!

Jeff Kipp started a new feature allowing for updated information to be sent to all members via email. All you have to join this free service is to go to the website and go to the INFO section. From there, you enter your email address and click a button to join. It's just that easy! After I approve the request, you will be eligible to receive updated information regarding Happy Hours, Muster, Football watching parties and other related items. Also look for some witty banter from me (no promises on the banter part...or that it will be witty).

## New Officers

I'm pleased to announce that your club now has two new officers. Gloria Shone '70 was elected by your officers to fill the vacant Vice President of Finance position. Gloria has held similar roles in several other organizations. Your club will benefit greatly from her experience.

Michael Igllo '96 was elected your Muster Chairman. Michael brings enthusiasm and project management experience that will suit him well in this role.

## Other Good Bull

Lynn Clancy '89, your Vice President of Activities, has been very busy this fall arranging the Happy Hours and the football parties at C.B & Potts. They've all been great! She's currently investigating a ski trip, a gambling trip and a Holiday Party. Lynn has lots of ideas but she's always open to suggestions. Let her know if you've got an idea for an Aggie activity or a new place to meet for Happy Hour.

Todd Hendreks '96, your Vice President of Publicity, Newsletter and Website, has been busy setting up our website and our eGroup as well as getting this newsletter out. Some of this work was started by Jeff Kipp '92. As many of you know, Jeff served as a club officer for several years and really helped our club improve the newsletter and initiate the website and egroup. Jeff has been helping Todd assume these responsibilities. On behalf of the officers and all the Denver Ags I want to thank Jeff for his service to the club and for helping Todd get off to a good start. Mitch Mallory '79, your Vice President of Membership, reports that we have 210 registered members of our club. This is only a fraction of the Ags in the Denver area. If you know of any Ags that aren't members, encourage them to join and participate in our activities. A membership form is part of this newsletter.

Michael Igllo '96, your new Muster Chairman, is investigating several options for meeting places and he's actively pursuing a Muster speaker. These important Muster details will be finalized very soon and announced to you

in our next newsletter and website. Let Michael know if you have any suggestions.

You have a club that you can be proud of. You have committed officers that create activities for you to meet and socialize with other Ags. We'll continue to create the opportunities, but you have to come to them to get any benefit or enjoyment from them. Get involved. Come to the Happy Hours. Come watch the Ags play football. Get to know your fellow Denver Ags. Keep the spirit alive. Gig'em Ags, and beat the hell out of tu!

## Denver Aggie Events

Howdy Ags!

Hope that everyone has enjoyed the fall football season, even though it has not been one of A&M's best. But it just doesn't matter and we have all continued to turn out and support the Aggies throughout the season. We have also gathered together several times to play dominoes and to meet for Happy Hour. Each and every gathering we have new members appear and our club is growing every week. Thanks to all of the regulars who show up rain or shine to almost all of the events. You are the ones who truly keep the club pumping!!

Well, we have several activities quickly approaching that I want to tell you all about.

### Texas A&M vs t.u. Brunch @ C.B. & POTTS - November 26<sup>th</sup>

First, we will be having a special gathering and brunch in honor of the **Texas A&M vs. t.u game on November 26<sup>th</sup>**. C.B. and Potts is going to open their doors early for us (it's a 9:00 AM game) and serve us a special brunch. The T-Sips were invited to join us, but as of yet have not accepted the offer. We hope they decided to turn out to make it even more exciting when we Beat the Hell Outta' t.u!!!! Whoop !!

But I digress.... The menu will include an assortment of breakfast breads and pasteries, seasonal fresh fruit, country scrambled eggs, Belgian waffles with syrup and butter and bacon, sausage, and hash brown potatoes. Tea, coffee and soft drinks are also included.

This is a club-sponsored event, so members will pay \$5 and non-members will pay \$10. Please remember that if you have only joined as an individual member, your family guests will be required to pay full price. Remember, it is not to late to join as a member!!!!

Everyone is invited and we encourage you to bring lots of people!! If you plan to attend, please R.S.V.P. by to me by e-mail at [marilyn.clancy@gte.net](mailto:marilyn.clancy@gte.net). If you do not have e-mail,

don't worry about it, I just need a rough count.

## Christmas Party

Look for information regarding the Christmas party on the website and via the eGroups email service.

## Ski Trip to Breckenridge

The Aggies are going to invade the slopes the weekend of **February 5<sup>th</sup> and 6<sup>th</sup>**! I have reserved two condos at the Village at Breckenridge, one for Friday and Saturday night and one for Saturday night only. There are **16 spaces** currently available, and I will attempt to add additional rooms if there is enough interest.

"Interest" in this situation of course means "money in hand". The condos have been prepaid, and only a check in my hand can guarantee you a space!! The prices are as follows:

Two nights (Friday the 4<sup>th</sup> and Saturday the 5<sup>th</sup>) is \$100 per person.

One Night (Saturday the 5<sup>th</sup>) is \$50 per person.

If you are interested in going, you need to send a check made out to The Denver A&M Club to:

Lynn Clancy  
7051 Palisade Drive  
Highlands Ranch, CO 80126

Reservations will be made on a first come/first serve basis and special room accommodations will be attempted, but not promised. If you want to stay with a group, you should send your checks in together, and I will make every effort to put you in the same condo. Please realize that we will all be in the same complex and be able to go out together no matter where you sleep !! I would suggest that we make dinner in one of the condos one of the nights in order to save some money.

Please provide me with your home phone number, address and e-mail (if available) when you send your check so that I can confirm the room for you. Lift tickets are each person's own responsibility.

More info will be in the next newsletter, but I am taking reservations now!! Let's SKI !!!!!

See Happy Hours on page 4

Continued from Page 3

Happy Hours are on hold until after the holidays as we all have extremely busy schedules. However, we will start back up again in January and continue on the first Thursday of every month. The January Happy Hour will be held at Old Chicago's on Colorado Avenue (approximately 2 miles north of I-25). It will be on January 6<sup>th</sup> starting around 6:00. Mark your calendars now !!!

### Dominoes Parties - Jan 21st

I am currently seeking volunteers to offer their home for a night of bone shaking excitement !! If you would be willing to host a dominoes party, please contact me at my e-mail or phone numbers listed below. We will start parties again in January.

### Other Activities Planned for the Year 2000

There are plans in the works for a gambling trip to Blackhawk/Central City. Watch your newsletters for information.

I am seeking a community service project for the club. If you have ideas, please contact me at the numbers listed below.

### **IT PAYS TO BE A MEMBER**

Howdy Ags! We just finished a very successful Denver A&M Club membership renewal drive. The club currently has approximately 220 active members registered. As most of you know, our clubs membership renewal coincides with Muster. Your address letter on this newsletter should reflect your current membership status. For recently renewed memberships, the date should reflect April 30, 2000. If your expiration date is April 30, 1999 or older we have not received your membership renewal. If you would like to renew or update your current information please fill out the form in this newsletter. Your annual membership dues help the local Denver A&M Club accomplish several things:

- Publish, print and mail a monthly newsletter
- Publish, print and mail a local member directory of former students
- Promote and organize local activities and programs for Denver area former students
- Subsidize our annual Muster gathering
- Support the clubs new Email information services
- Support the clubs local A&M telephone hotline number
- Sponsor a Texas A&M scholarship for a local Colorado student
- Assist with local community projects and charities with participation of the Denver Texas A&M Club

FYI - If you are not current with your dues to the A&M Club, this will be your last newsletter and you will be removed from the mailing list and email list as well.

Thank you for your annual support and participation

## HOOPS !!!

Howdy - I'm trying to see if there's interest in getting a group together to watch some NBA basketball. To make this interesting, I figure we can go to a couple of games where the Nuggets play the Texas squads.

First up: Dec. 18th, Saturday, 7.00pm. The Denver Nuggets vs. San Antonio Spurs in the brand new PepsiCenter.

There's a group discount if we get at least 20 people, the tickets will be \$3 less than the face value. The seats at the upperdeck, between the goals are \$18 per person (discount included).

So let me know if you are interested and / or if you want to pay more for better seats. We'll figure out the rest of the details later. I will make a general announcement again after Thanksgiving via the web site and the email service we use, eGroups.

## Message From the President

**Jack Carey '72**

Howdy Ags! Hope everything is going well for you. We're now on the downhill side of winter. Happy Hours are going well. We had a fine group for our ski trip. Many of you are battling away each month at dominoes. And, we're about to embark on at least one community service project. Lynn Clancy will tell you more about these activities elsewhere in this newsletter.

Mike Iglio has included complete details about Muster so I won't go over them here. I do, however, want you to know that we are trying to better accommodate those of you who don't elect to participate in the dinner immediately prior to the actual Muster Ceremony. Participation in the dinner is encouraged but certainly not required. If you can't make the dinner, you're welcome to come for just the ceremony. Feel free to bring family and friends. Muster is the finest of our Aggie traditions and we don't want anyone to feel unwelcome or excluded.

**Michael Iglio '96**

The Texas A&M Club of Denver invites you to Muster on April 21, 2000.

Frank's association with Aggieland began as a student where he was a member of the Corps of Cadets, Ross Volunteers, Junior and Senior Yell Leader. He served as a Captain, Commander and Instructor of a strategic Air Command Combat Crew in the USAF during the Vietnam War, and is now the lead

John Comstock, the last survivor removed from the Bonfire collapse, was transferred to the rehabilitation unit of Zale Lipshy University in Dallas on Tuesday, February 8th. His condition was upgraded from "critical" to "serious". Keep this courageous Fighting Texas Aggie in your thoughts and prayers. And, don't forget the family and friends of the Bonfire fatalities we'll honor at Muster.

Finally, your officers voted to again send \$1500 to the A&M General Scholarship Fund. This amount ensures that a \$1000 scholarship will be awarded to a student from Colorado. See you all at Muster. Gig'em, Ags. Jack Carey '72

## Denver Aggie Events

**Lynn Clancy '89**

Howdy Ags!! Hope everyone has been enjoying his or her ski season and winter activities. The Aggie club has been active as usual and we hope to keep it that way. We had a ski trip a few weeks ago that drew 16 Aggies for an overnight in Breckenridge. Thanks to all who turned out.

We have a packed schedule into the spring, so read on for upcoming events. As always, feel free to contact me for details on events. H- 303-346-1786, W-303-740-1909 e-mail: [Lynn@greatcleaners.com](mailto:Lynn@greatcleaners.com).

**March 9<sup>th</sup> – Happy Hour at Dave and Buster's.** Colorado Avenue and I-25. It is a large place, so starting at 6:00 I will be meeting folks at the door every half-hour. If you don't know anyone, I will be watching for lost souls!!

**March 12<sup>th</sup> – Gambling trip to Blackhawk.** We will meet at 12:30 at The Outback Steakhouse parking lot at I-70 and W. Colfax (exit Colfax on I-70). The address is 14295 W. Colfax. We will carpool from there. Gather your pennies (or dollars) and join us for a day of gambling.

**March 31<sup>st</sup> – Dominoes Party @ Bill Jensen's house.** From I-25 exit Orchard. Go West on Orchard to Quebec. Take a left on Quebec and go south, Take a right on East Caley and go west until Niagara. Take a right on Niagara and then an immediate left onto S. Monaco Way. My address is 6139 S.Monaco Way. It will be on the left hand side of the street. My phone number is 720-528-8651 in case anyone gets lost.

**April 6<sup>th</sup> – Happy Hour at the Soiled Dove on Market Street and 20th, one block from the main entrance to Coors Field. (Look for us most likely on the roof)**

**April 21<sup>st</sup> – Muster (see section in Newsletter)**

**April 29<sup>th</sup> – Christmas in April Community Service Project.** The T-Sip alumni will be joining us to participate in this community service event that is held nationwide annually. Christmas in April is a volunteer organization that rehabilitates the houses of low-income homeowners, particularly the elderly and disabled so that they may continue to live in warmth, safety and independence.

This is an all day event. We need to have a larger turnout than the T-Sips, so please contact me if you can help. You will need to fill out an application, which I can fax or mail to you as soon as I receive them. We will probably divide into two groups and be paired with groups of T-Sips to work on two houses. This is an extremely rewarding event that I have participated in twice and thoroughly enjoyed.

## Aggie Sports

Howdy! Springtime is near us and that means several things. One of which is that I plan to be putting together a few recreational teams. The league I usually work with will start the Spring session in April. I plan to put together softball and flag football teams. If you are on the eGroups email service, you'll be getting some info soon. If not, please contact me at [thendreks@yahoo.com](mailto:thendreks@yahoo.com) and I'll give you some scoop.
