# Denver's A&M Club is honored to have Dave South as the 2004 Muster Ceremony speaker.

## Dave South

### *Associate Athletic Director for Sponsorships and Broadcast*

Every Saturday since the 1985 season Aggie fans around the world have become accustomed to hearing and recognizing South as "The Voice of the Aggies". Dave was there for the come back against Baylor in 1986, the win over Michigan in the Alamo Bowl, the Surr Parker play in the Big 12 Championship game, the win over Baylor in 1987 to send the basketball team to the NCAA's and the win over Clemson to send the baseball team to the College World series in 1999.

Dave readily admits in his 43 years of broadcasting and sporting events he likely will never see or call a game like the Big 12 Championship game with Kansas State in St. Louis. He comments that many announcers spend their entire play-by-play career and never see one that has that kind of finish. His call on that play was selected as one of the top 100 calls of the last century and is featured in a book/CD sold in bookstores across the nation.

South was honored in the Spring of 2003 when the Federation of Mother's Clubs of Texas A&M University dedicated their yearbook to the "Voice of the Aggies". The Mother's Clubs also commissioned a Benjamin Knox painting of Dave working a broadcast. One of prints now hangs in the athletic offices at Texas A&M.

Dave serves as the voice of the Aggie Sports Connection seen on Foxsports Southwest. This involves the production of 32, half hour, television shows that cover all aspects of the Texas A&M Athletic Department.

Every Thursday night during the football season he serves as the host of the Coach Fran Call In Show on radio.

South's broadcast experience includes the NBA "Game of the Night", which he did for four years, "The Mutual College Game of the Night", for three years, the NCAA and Southwest Conference Television Network, four College World Series, the National Junior College Basketball Tournament for two years, Southwest and Big 12 Conference Football, Basketball and Baseball. In the late 70's and early 80's Dave was the national voice of the UCLA-USC football game from Los Angeles.

His bowl games include the Alamo, Cotton, Sun, Liberty, Peach, Hall of Fame, Bluebonnet, Holiday, Gallery Furniture.com and Sugar as well as the Pigskin Classic and Kickoff Classic. One of Dave's recent highlights was the highlight tape used at the College World Series in 2000 and 2001. His baseball play-by-play work from the Texas A&M-Florida State game in 1999 was selected for the highlight tape used at Rosenblatt Stadium in Omaha. ESPN also used his call of Jamar Toombs run in the Oklahoma game when that network selected the Toombs run as the run of the year in college football.

During the last 44 years it is estimated he has done over 15,000 live broadcast and over 12,000 interviews

## Aggie Muster Day

We gather here to mark the day Aggies proudly stand.  
To honor those who've gone before to the promised land.  
Each name is called upon the roll, comrades answer "Here."  
Trumpets sound their sound good-bye to those we held so dear.  
All heads are bowed in silent pledge never to forget.  
While rifles fire their last salute echoes answer yet.  
To their mem'ry will be true; we will take their place.  
One for all and all for one ever in Thy grace.  
We'll meet again another day, reunion while we pray  
To ask Thy blessing on each one on this Muster Day,  
Aggie Muster Day.
